**About Moberg Pharma, [www.mobergpharma.com](http://www.mobergpharma.com)**

Moberg Pharma AB (publ) is a Swedish pharmaceutical company focused on commercializing proprietary innovations based on drug delivery of proven compounds. The company's main asset, MOB-015, is a novel topical treatment for onychomycosis, with recently completed phase 3 trials in more than 800 patients. The pipeline also includes the late-stage asset BUPI for pain relief in oral mucositis, intended to be spun off in the separate company OncoZenge. Clinical data generated for both assets indicate that they have the potential to become market leaders in their respective niches. Moberg Pharma is headquartered in Stockholm and the company's shares are listed on the Small Cap list of the Nasdaq Stockholm (OMX: MOB).
